

The SIJHSAA has partnered with R House Sports for the past 3 years, offering State Tournament merchandise to participants and fans. R House Sports wants to continue to make this opportunity smooth and seamless. R House Sports does 100+ team stores, fundraisers, etc. each year. Below you will find step-by-step instructions of how to order your State Tournament gear.

1. R House Sports will provide a link for each sports State Tournament. Link will take you directly to the current store.
2. There will be a 2-week window BEFORE the event and a one-week window AFTER the event to order gear. The store before the state event will close 3-5 days before the event to allow time to print garments to be picked up at the event. There will be a "ship to me" option or a "pick up at event" option at checkout. You will be required to pay with credit/debit card.
3. To ensure you get your gear, please use the team store link and pre-order.
4. To pick up your items at the event, you will need to provide identification that matches the information the purchaser used when ordering the merchandise. Orders will be packaged in bags, along with the receipt.
